in England. We are entitled to all that England
gets, but we are not entitled to determine what or
how much that shall be. That lies with Mexico
and England themselves, the parties to the original
Help, to abolish elavery throughout her limits and
make her a freecoil State, impress a fact that he is distantive stipulation. It is not our province to make her a freesoil State, ignores a fact that he is most rue treatien for foreign powers. It is their infeasible right to construct their own treaties. And actionatine right to construct their own treaties. And the construction upon which they agree it final worked with the Coutier in its abolitionism. He against the rest of the world. If, therefore, Engaginst the rest of the world. If, therefore, Engaginst the rest of the world. and sees in the continuerted tax no violation of the cy at which, since he was a loy, abolitionism was If, then, Mr. Forsyth, when he comes to make his

formal protest, under the instructions of the Adminis ration, is met by the authority of Eagland in
favor of the legality of the tax, what can be say or Shall we exact higher privileges than the power with which we rlaim to be on an equal footing extoo far already. It has committed itself, in an ex-willing to submit to their rule," and this se nions necessity of backing This is truly wonderful condescension. The great was arr

ar else to the ignominions necessity of bocking against the little Mogula of the Democratic lines grew into a 'mate.' You may are less to the ignominate in the little Mogula of the Democratic lines grew into a 'mate.' You may are less to the interpretation of the bero and of marely down. In any event, its course is totally matherized and indefensible.

The Administration in attempting with such bot in this republican country of ours. It is a remark-tainty, sir," replied his young antagonist. The Administration is attempting with such bot in this republican country of ours. It is a remark-tainty, sir," replied his young antagonist. The property of the property of the looks of The Administration in attempting with such hot heats to thrust this question arbitrarily within the limits of actual treaty stipulations repeats the captal blunder of its predecessor in dealing with the Central American question. The grievance, if it is one, is probably not comprehended in the terms of any existing treaty. It would seem to stand outside of all international engagements. The direct and manly as well as the natural course would be to make it the u ject of a new and independant negotiation at once. Though it doesn't form expressly the onliged of any stipulation at present, it no doubt, if worth the trouble, might easily be made to do no, with a lattle fromness and skill. If the Administration in determined to do anything, let it on avery account relinquish the effort to include the subject of only stipulation at present, it no doubt, of worth the trouble, might easily be made to do no, with a lattle fromness and skill. If the Administration is determined to do anything, let it on avery account relinquish the effort to include the subject and destrict the from the account relinquish the effort to include the subject ander existing treatize an effort a lattle first the subject to include the subject in the results of the first in administration of the first in administr ton is determined to do anything, let it on avery account relinquish the effort to include the subject ander existing treaties—an effort as impolitic as it is illogical—and take hold of the question in this straightfarward and simple way. Common sense in such cases is the highest policy. Nothing valual let to be gained in diplomacy by protracted special pleading. Experience has shown that it serves marely to complicate the question and irritate the parties, rendering an adjustment still more difficult in not entirely impracticable. If one thousandth

The article allows was prepared for our calumns four or five days ago. Since then intelligence, very probably authentic, has been received that Mexico has repealed her extraordinary tax-law and recalled rie's interference in the election between Wheat and from banishment the faw foreigners exiled for their refusal to submit to it. If she has done this, the fact cannot fin the least degree after the right to the check of the fact cannot fin the least degree after the right to the check of the right to t fact cannot in the least degree affect the principle is correct, and no action or inaction of a feeble power or a strong power can subvert it. Mexico is conacional that the lack of strength to maintain her own rights, and she must of course bow to whatever impositions at the first ward polls on the day of that election. he great Governments of the earth may choose to

This is opening the door wide-in advance-for a retreat. The Union sees the storm coming.

reign microns.
N. Y. Courier and Enquirer. Now it so happens that both William B. Reed Now it so halpons that both William E. Reed days ago. The S and Joseph R. Chandler acted with the Democratic party in the last Presidential canvass, speaking, electioneering, and voting for Mr. Bachanan. And, furthermore, it so happens that no Fillmere are breaking it. destroyed it when we consider how continually they man has ever been the recipient of the slighter favor of any sort from the present Administration.

The blunder of the Courier and Esquirer is lulicrous. Whatever may be said of Mr. Buchannan, and exceedingly severe things may be justly said of him, he has at least had the grace not to neult with his bounty any American who refused to dishonor himself by voting for the incarnation

The Washington correspondent of the New Nork Tribune writing on the 18th says: "The ar-ticles now being published in the Union against Judge Douglas are written under the special direction of the President, if not with his own hand. The same statements and language are held commonly among the friends of the Administration, and it is generally recognized that a personal war is intended at every hazard, and the Federal officers are notified that every refusal to enlist will be followed by a removal as was recently done is Cal. he shot from appearing to be "a little bare." lowed by a removal, as was recently done in Chithe sword with the awkwardness of a clown, but he fagure the purse with astonishing advoitness.

talking extravagantly and ridiculously about the merits of the Administration, says that he is "incompetent to describe them fully." Then we advise Grit is said that Buchanan won Mr. Foley over from asti-Lecomptonism by a dinner. It was the only sort of argument that the Indiana blockhead h m to take n hint from the advice given by the Mathodist minister to a good brother who was grouning tremendously at a love feast. "Please, brother, grean a little more quietly." "Ah, sir, these are grouning: that cannot be utlered." "Then, sometimes. for consciouce" ask, don't try to utter them, for you for consciouce ask, don't try to utter them, for you at Raleigh. "Murder will out" and murderers too mak's terrible work of it, and it can't be done." It would really be complimenting a Know-Nothing to of actual philebotomy, call him an egradious ignoranua. - Fortland Democrat.

We have not sought an opportunity to attack Mr. Guthrie. We have no wish to expose to the public view his many "financial blunders" while a public officer of this city, but we were informed by a Democratic organ that he was engaged in making Democratic speeches. In which it is recorded by Mr. Walker, the former President of the City and Democratic speeches, in which, it is reported by Bank and Mr. Torner, the late President, have been Democratic authority, "he makes war upon our present rulers and shows that they will sum the city if they publishing cards against each other, but their coin nations and recriminations are but miserable com fort to a community swindled out of hundreds of theusands of dollars. The people are determined to know who the swindlers are, and we think it will be impossible to keep the knowledge shut out from them very long. A Memphis paper states that the Bunk redeemed all its notes held by banks and broof the city and proclaimed that it would ruin the city. He is now laboring night after night trying kers up to the time of failure and closed the doors to induce the people to elect Democrate instead of Americans to local offices. We have taken bim as an example of Democratic local officers and his acts. We are much surprised that the Citizens' Bank, as examples of what a government compared

upon favors to which England interly disclaims the
right? If the Administration is not ready to go to
this about and unwarrantable length it has gone
too far already. It has committed itself, in an exwilling to submit to their rule." and this sentiment

purities, reudering an adjustment still more difficult if not entirely impracticable. If one thousandth part of the time that was consumed during the Pierce Administration in endeavoring fruitlessly to stretch the Clayton-Bulwer treaty over the entire Contral American question had been spent in frankly adding a fresh treaty to thus imperfect conversation, the ampierts in dispute would have been anugly robed in a satisfactory settlement long ere this. The lesson is one that should not be lost.

If, however, the Administration persists is urging its claims under existing treaties, it should for dacency's sake as well as its naw first ascertain what privileges the most favored nation considers itself to be apposensing, before it arrogantly pronounces respecting the privileges secured to this country, which claims only to stand on an equal footing. It is rash and ridiculous to undertake to measure our rights before we know the dimensions of the standard to which we have voluntarily referred them. They however, the Administration, by such folly, exposes itself to the most haullating acknowledgments, and the national and the national and the management.

The Administration, by such folly, exposes itself to the most haullating acknowledgments, and the national and the source of the client o

granter portion of the managrals of which they were composed has been raised.

Gar We were misinformed in regard to the action of Caprain L. H. Rouseau in the American Nominating Convention of February last upon the resolution pleaging the Liesda of all the candidates to abide by the decision of the Convention. Capt. R yound against the resolution, but did not assign the reasons imputed to him nor any other for his vote.

Gar Three convicts, mancel Frank G. Barkman, Lewis Henderson, slias Harris, and Hearth Parkson, alias Cockran, made their escape from the Jafferson of the Convention of the Convent Now haltoning and JFH NRA at 11 NRA at 11 NRA at 11 NRA at 11 NRA at 12 NRA

FOREIGN ITEMS

After the late thunder storm, a deposit re-em

minister of France at the Germunic Diet, in which lee energetically protests against the raports in cir-culation, attributing to France designs which would be threatening to the peace of Europe. A letter from Stockbolm states that the six Swengs, is ludustrious, capable, obliging, and very der te la his charges. Get your prescription e to leave that capital un | filled there at least.

He were in danger of being over-t the chief of the establi-bount or-etire. A strong force some ment

The news from India contains no new facts of imortance. The intense heat of the country appears of have a fatal effect upon the English troops. In cl

35th Regiment, 81 deaths of apoplexy are au-Metcalf his been sent home for hanging too many bels. The native of Delbi are beginning to get taken, and that the S-pays will con retake Dels many even deny the capture of Lucknow. They sent that we have been defeated there.

Great Exhibition at Manich.—Munich is to take its \$5.0, 2 at \$6.0 for account of the control o

July. Up to this point we have no complaints worthy of notice us to this crop. The accounts are university good, the ground having been well covered.

The Continent.—In Franca, accounts vary since the rains, the south, the centre, and the southern esserious of Paris baving partially sustaned injury.

The rye in these parts having partially sustaned injury.

The rye in these parts was being reaped; but wheat would not be ready before the 10th or 15th of July, which is about a fortight earlier than the average of sersons. Northern Europe has continued complaining, the yield of rve promising but little, and wheat less than at one time was expected.

The Heure of L rds has adopted a hill empowering the Commoos at any time by a special act to ad-

wes and seven nountes. Again, the reases) are all raits and gulf (see hof forty nine degrees) are all samed by the limited S area, though, by treaty, we onceds the whole of Vancouver's Island to Engand. The possession of these islands becomes a matter of great importance to the United States.

10 N. for some time past a little more intimate with a young woman is the neighborhood than the law ultiow. Busides being charge d with the aftempt to break his boother out of jult, he was also indirected for neighborhood the was also indirected for neighborhood results for the protector proposed to not provide hill for the greater offence if he would plead gailty to the union charge, and marry the young woman, which the prisoner agreed to do; whereupout ludge Cabanies descended from the bench, accompanied the parties to the jury room, and forthwith made them man and wife. His blour them resumed its seat and princuloused sentence upon the bride-groun of four years immediate and the large transport of the parties to the jury room, und forthwith made them man and wife. His blour them resumed its seat and princuloused sentence upon the bride-groun of four years immediately and the second second from the parties to the jury room, und forthwith the parties to the jury room, und forthwith the parties to the jury room, und forthwith the princulous of the parties to the jury room, und forthwith the parties to the jury room of the parties to the parti
